

Grandame Afterschooler News!

OCTOBER

Last month the children were very excited to get back into the swing of things. With the bus being down we had to come up with exciting and get safe ways to get to Grandame. Thank you for your patience. We look forward for new adventures around town, We had a great time at River View Apple Orchard, Picking the apples and running through the corn maze was a huge hit, some of us even got lost!

We have started setting up the Sea-saw program where we can send you pictures and videos and have more communication to and from home! We are very excited for this. If you have not received any info on this by the end of the month please let Tracy Kate-Lynn or Felicia Know.

Oct 9th We will be letting some Scientist mix and create some slime and other mixtures outside. The children have been interested in doing this inside so we are moving the play out by the hose!

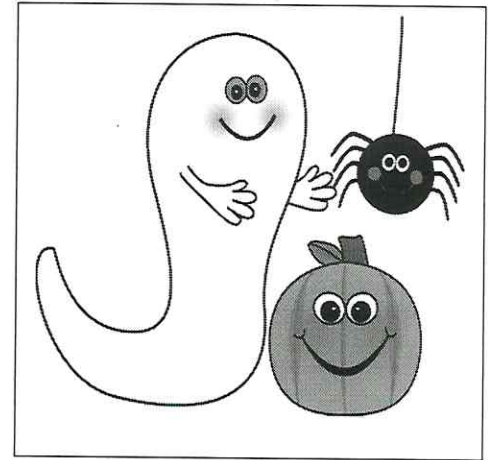

We have a few children who are interested in baking some apple pies and apple crisp. We will be cooking on **Oct 16.**

We have Appleby's Tae Kwon-do that we will be heading to **Oct 23.**

I have also called the Veterans Health Unit to see if they would like a few Halloween Trick or treaters. We will let you know asap when they confirm back. We will also have our little Halloween party on **Oct. 30.** Please sign up to send something in. We have 37 children in our group. There will be a sign up sheet posted on the door.

Please remember to sign the permission forms on the door.

Always call the office if your child is getting -picked up at the school or does not need transportation. Thank you 458-8982

Always check on the white board for information.
