

WINDSOR MORNING PROGRAM

OCTOBER NEWS LETTER 2019

We are already into the next month of Morning program. We have been busy meeting new friends, checking the lay out of the classroom and getting used to the routine. We have been experimenting with paints, scissors, crafting, marking and learning about fall and all the leave changes.

Circle time is getting a little longer as the children are excited to play matching games , listening to stories and signing and listening to songs. The favorite books this month are Pete the cat and Five little monkeys jumping on the bed!

Each month we have Scholastics Book orders. This is a book company who provides books for cheaper prices and gives the daycare bonuses in books so that we can add to our library in our classroom.

We are very excited to see what adventures await us in the next Fall Months please dress in layers, we go out in all type of weather.

At any time please come to Tracy, Kate-Lynn or Felicia with any questions or concerns.

The Preschool Center is closed

Oct 14 for Thanks Giving.
