Friendly Reminders

Please make sure all clothing is labeled. Many children have the same items and they can easily go missing.

Due to limited staff in the morning, it would be very helpful to take your child to the washroom before drop off, especially when opening outside. We may not always be able to leave the classroom/playground .

We are asking that all children have indoor AND outdoor shoes please.

If you are planning to potty train, doing so before the winter/snowsuit season would be best. Let us know and we will be happy to help in this process :)
