

The Two's Newsletter

Greetings!

Hello everyone! It's hard to believe that a month has gone by since your little ones joined our classroom. We've really enjoyed getting to know each of the children and their families.

September was filled with fun and silliness! A lot of time was dedicated to helping the children become accustomed to their routines and allowing them to explore and feel comfortable in their new home away from home.

We are very excited to get October started and enjoy another month with this awesome group! :)
